Dear Doug,

I have received your letter of April 18 and frankly don't blame you for your confusion.

STATINTL

On our February claim for [redacted] services, our calculation of 64/168 (8 days) for February is based on the month beginning January 25 and ending February 24. The number of working days claimed in that period should have been 7 days (January 25, 28, 29, 30, 31, February 1 and 4) rather than the 8 days we claimed. Through a misunderstanding on the part of our timekeeper, our payroll group was under the impression that [redacted] occurred on February 5. Please note that our monthly pay period runs from the 25th of the previous month to the 24th of the current month.

We enclose our invoice 5125-8 which represents reclaim for the correct amount.

STATINTL

Yours very truly,

[redacted]

Jack
